PROSPECTUS.

This institution, conducted by the Fathers of the Society of Jesus, was founded by them in 1877.

The course of studies is adapted to the special requirements of this part of the country.

It comprises two Departments.

The first, or Preparatory Department, intended for younger pupils, is merely elementary, affording primary lessons in English and Spanish, Writing, Spelling, and Arithmetic. It may last from one to three or more years, according to the age, talent and proficiency of the pupils.

The Second, or Higher Department, is designed to give the students a thorough commercial education, both in English and Spanish. It embraces lessons in Grammar and composition, a full course of intellectual and practical Arithmetic, Book-keeping, History of the United States, Geography and Elocution. Algebra, Geometry, Rhetoric and Natural Philosophy may be added to this course for such pupils who, being well grounded in the lower branches, may show a desire and disposition for higher attainments.

To encourage the study of Natural Philosophy, a Cabinet of Physics and Chemistry was begun in the College, during the year of 1880.

As a first step towards a regular Classical course of studies, a small number of pupils is given the benefit of a Class of Latin and Greek, wherein the principal branches of the Higher Department are also taught.

Pupils may receive, besides, Music lessons, either vocal, or on the Piano or Organ.

The formation of both mind and heart being of supreme importance for the proper training of youth, the Directors shall bestow their utmost attention to the moral and religious culture of the students committed to their care; and whilst the College is conducted on Catholic principles, no undue influence will be exerted to induce non-catholic pupils to a change of religious belief.

The institution is intended for Boarders and Day Scholars. Half Boarders are also admitted, who spend the day and dine at the College, even on the ordinary holidays, and are dismissed towards the evening.

GENERAL REGULATIONS.

Until some new arrangement be made, the scholastic year will begin on the last Monday of October, and close on the 16th of August, on which day a public Award of Prizes will be held.

Parents and guardians cannot be too earnestly recommended to send their sons or wards to the College at the very opening of the session. Any delay is generally the cause of considerable inconvenience and tends to retard the progress of the pupils at a time which is most favorable for application to study.

Besides a few days of semi-annual recess at Christmas and Easter, the following are also ordinary holidays:—All the holydays of obligation—Every Thursday—The feasts of St. Joseph

and St. Aloysius—Thanksgiving Day, Washington's birthday and the Fourth of July.

Boarders, whose parents or guardians reside in town, will be allowed to spend a day at home once every month, generally on the first Thursday. But they should always return to the College before 5 P. M., during the winter season, and before 7 P. M., during the summer season. On no other occasion will they be permitted to go out of the College without very urgent reasons.

Catholic Day Scholars are required to hear Mass in the College chapel every Sunday and all other holy-days of obligation, and to attend the religious instruction on Sunday afternoons.

To promote the advancement and good behavior of the students, weekly marks showing their conduct, application and proficiency will be publicly read in each class, and their result will be stated in the Bulletin, which parents are requested to demand from their sons at the beginning of every month.

Motives of Religion and self-respect being habitually appealed to, no need has been experienced of frequent or severe punishment.

Flagrant offences, such as are detrimental to the reputation of the College, or are obstructive to the good of other pupils, are grounds for expulsion.

For faults of ordinary occurrence—such as tardy arrival, failure in recitations, or minor instances of misconduct—detention after school, some lines to be copied or committed to memory, privation of monthly vacation for the Boarders, and low weekly marks, are usually found sufficient penalty.

The efforts of Teachers and Prefects will be much facilitated if the cooperation of parents can be secured.

Parents are, therefore, earnestly requested to insist upon the regular and punctual attendance of their children to school; to notify the Teacher speedily in case of detention or withdrawal; to exact regularly the monthly bulletin; to attend to such notifications as may be sent by the Directors to inform them of

unexplained absence, bad lessons, or unsatisfactory deportment; and not to take the pupils out of the College without an imperative necessity.

PROSPECTO.

El Colegio de Las Vegas, dirigido por los Padres de la Compañía de Jesus, fué fundado por ellos en 1877.

Los estudios están adaptados á las exigencias del Territorio y se dividen en dos Cursos.

El primero, ó Curso Preparatorio, que se compone de los más niños, es puramente elemental, comprendiendo los principios de las lenguas Inglesa y Castellana, Caligrafía y Aritmética. Puede durar de uno á tres ó más años, segun la edad, el talento y el aprovechamiento de los muchachos.

El segundo Curso está destinado á dar á los alumnos una entera y esmerada instruccion comercial en Inglés y Castellano. Abraza las lecciones de Gramática y Composicion en las dos lenguas, un curso completo de Aritmética, Teneduría de Libros, Historia de los Estados Unidos, Geografía y Declamacion. A estas asignaturas se podrán añadir las de Algebra, Geometría, Física y Química, y Retórica, para los alumnos que, estando bien fundados en los ramos inferiores, mostraren deseos y aptitud para estudios más elevados.

A fin de promover el estudio de la Física y Química se ha empezado á establecer, durante este año de 1880, un Gabinete y Laboratorio correspondientes á estas ciencias.

Como primer paso hácia un curso regular de Estudios Clásicos, se ofrece á un reducido número de alumnos la ventaja de una Clase de Latin y Griego, que incluye las asignaturas principales del Segundo Curso.

Se dan además lecciones de música Vocal ó Instrumental de Piano ú Organo.

Siendo la formacion del corazon y de la inteligencia la única base de una buena y sana educacion, es un imperioso deber de los Directores atender con el mayor esmero á la cultura moral

y religiosa de los jóvenes confiados á sus cuidados. Pero si bien el Colegio estriba sobre principios Católicos, no se ejercerá ningun influjo indebido sobre los alumnos que no sean Católicos, para inducirlos á que muden de creencias religiosas.

Además de internos y externos, se reciben tambien medio-internos. Estos pasan el dia y toman la comida en el Colegio, tambien los dias de fiesta ordinarios, y vuelven á sus casas hácia el anochecer.

REGLAMENTO GENERAL.

El año escolástico consta de diez meses, empezando, hasta nuevo arreglo, el último Lunes de Octubre, y terminándose el diez y seis de Agosto, con la Solemne Distribucion de Premios.

Se suplica muy encarecidamente á los Padres y Tutores que envien á sus hijos al Colegio desde la apertura de las Escuelas. Toda dilacion causa por lo general graves inconvenientes, y es un obstáculo para el aprovechamiento de los niños en un tiempo que es el más favorable para aplicarse seriamente al estudio.

Además de pocos dias de vacacion concedidos en las dos épocas de Navidad y Pascua, son asimismo dias ordinarios de fiesta: Todos los de obligacion: Los Jueves: Los dias de S. José y de S. Luis de Gonzaga: El dia de accion de gracias: El aniversario del nacimiento de Washington: El dia cuatro de Julio.

Se permite á los alumnos internos, cuyos padres ó tutores no viven lejos, pasar un dia en su compañía una vez al mes, que será de ordinario el primer Jueves. Pero se les exige siempre que regresen al Colegio antes de las 5 P. M. en el invierno, y de las 7 en el verano. En ninguna otra ocasion se les permitirá salir sin motivos de verdadera urgencia.

Los alumnos externos deben asistir á la Misa en la Capilla del Colegio todos los Domingos y otros dias de precepto, y á las instrucciones del Catecismo los Domingos por la tarde.

Para promover el adelanto y buena conducta de los alumnos se les leen públicamente cada semana las notas que muestran su conducta, su aplicacion y aprovechamiento; y el resultado

de dichas notas será atestiguado por un boletin, que los padres deben exigir de sus hijos al principio de cada mes.

Sirviéndose el Colegio de motivos de religion y decoro personal, no ha habido necesidad de acudir á frecuentes ó severos castigos. Las faltas graves que comprometieren la reputacion del Colegio, ú obstaren al bien de los demás alumnos, son motivos para ser expulsado.

En cuanto á las faltas más ordinarias, como de llegar tarde, no saber las lecciones, ú otras igualmente lijeras, bastará castigarlas, sea deteniendo á los muchachos despues de la escuela, sea mandándoles copiar ó aprender de memoria unas cuantas líneas de sus libros, ó privándolos, si son internos, de la salida del primer Jueves del mes, ó finalmente rebajando las notas de la semana.

La cooperacion de los padres y tutores, contribuye en gran manera á facilitar los esfuerzos de los Maestros y Prefectos.

Por lo tanto se ruega con instancia á los padres que cuiden de que sus hijos vengan puntual y regularmente á la escuela; que avisen pronto al Profesor en caso de que los detengan ó los saquen; que exijan regularmente el boletin de cada mes; que se hagan cargo de las notas enviadas por los Directores para informarles de ausencias no motivadas, ó de malas lecciones, y mal comportamiento; y que no saquen del Colegio á los alumnos sin imperiosa necesidad.
